Difference Between Quilt and Blanket

1. The Quilt is a multi-layered i.e. a three-layer fabric whereas Blanket is a single-piece fabric.
2. Quilts are stitched using Quilting technique, whereas Blankets are woven.
3. The top and bottom layer of the Quilt is different, whereas both sides of the Blanket are the same.
4. Quilts are heavy and thick, whereas Blankets are not very heavy.
5. The Quilt is a square-shaped, whereas Blanket is rectangular.
6. Blankets have insulative properties and are fire resistance whereas Quilts are not.
7. Blankets are much softer than Quilts.
